Issue 19

In this issue, discover the latest insights on the 2024 health equity predictions from industry leaders, and catch up on the highlights of our recent *Under the Same Sky* conversation focused on data-sharing initiatives. Keep reading on to learn more!

Recap: Discussion with Abner Mason and Erica Galvez, CEO of Manifest MedEx on data sharing initiatives

In the year's first episode of *Under the Same Sky*, Abner Mason spoke with Erica Galvez, CEO of Manifest MedEx about healthcare data sharing initiatives. The conversation focused on addressing health equity challenges and implementing the California Health and Human Services Data Exchange Framework. Erica emphasized the state's commitment to holistic healthcare, addressing both social and medical factors. They also discussed how "digital pipes" help to facilitate information flow among healthcare organizations, aiming to improve care quality, reduce costs, and enhance health equity by creating comprehensive health records.
